Mas des Justes

Sur le Chemin des Cévennes

IGP CÉVENNES – ROSÉ - 2020

The story :

Mas des Justes is located at the gates of the village of Saint-Just-et-Vacquières in the Gard, on the way to the famous Cévennes, a rich natural heritage including the Cévennes National Park, classified as a World Biosphere Reserve by UNESCO.

Le Mas des Juste is a vineyard built on a solidarity-based economy model, supported by several hundred members motivated by the expression of a terroir, a territory where fauna, flora and vines come together in concert with the vibrant agricultural, cultural and social riches of the Cévenol Basin. Le Mas des Justes covers 15 ha including 13,5 ha of vines grown in organic farming, and from 2021, in biodynamics.
